## Welcome

Welcome to the [renovated](#) version of Preceptaustin.org, which is now phone friendly and [database driven](#) allowing us to easily [manage content](#) by Bible book and/or topic. Once you get over the shock of the new look, hopefully it will be easier to find all of the resources on a Bible passage or topic of interest (and new resources will be added almost every day). You will also find new search boxes on the right side of most pages, which include various resources such as [Wikipedia](#) which has a surprisingly large number of topics related to Christianity, albeit it is best used with a healthy "[Acts 17:11+](#) mindset." And don't overlook the useful [English dictionary search box](#), which is a superb collection of works which will enable you to hone your prose and preaching with polish and precision. Baker's Evangelical Dictionary of Theology is also an excellent resource to help solve theological [conundrums](#) ([review](#)).

**HOW TO FIND THE OLD COLLECTIONS OF SERMONS AND COMMENTARIES**

(1) On the old site one could access the **Collections** from a **drop down menu** at the top of the page which allowed one to select the book of interest. This old drop down menu is now on the right side of the page and is designated "**Collections of Commentaries & Sermons**" below which is the button labeled "**Choose Book of the Bible to Study**". Click this tab and you will see a list of hundreds of sermons and commentaries on each book of the Bible. In the old site some of these resources were on a second page, but we are in the process of moving them to one page to facilitate easier access.

(2) Another way to get to the "**Collections of Commentaries & Sermons**" is by clicking the **Commentaries** button (Between "Home" and "Topics") and it will take you to a list of all 66 books. Click on a book of the Bible (e.g., [Philippians](#)) and under "**Collections**" select "**Philippians Commentaries**" to retrieve a compilation of numerous sermons and commentaries on that book of the Bible. The advantage of this method of navigation is that you will also see a list of **Devotionals** and **Miscellaneous** articles that relate to that book of the Bible.

(3) **References or Resources associated with Verse Commentaries** - On the old site, verse commentaries usually

**Free Getty Hymn for September**

A life that highly exalts the name of Jesus will always bear enduring fruit. The Apostle Peter exhorts believers to honor Christ in their lives in such a way that other people will notice.

*But in your hearts honor Christ the Lord as holy, always being prepared to make a defense to anyone who asks you for a reason for the hope that is in you...* (1 Peter 3:15 ESV)

Clearly we are to share our faith verbally, yet the powerful witness of a Christian life sincerely and purposefully lived out, often speaks volumes to the lost. These were some of the key thoughts behind the writing of the hymn, "Lift High the Name of Jesus."
